

Call 1404 - cont'd 1407 - Petter

At approximately 1410 I was notified of a shoot by DI Dickson.
At 1418 I was notified of a shoot in Corra by dispatch.
I told DI Dickson to take over crime scene and
work the case. Told to PI - told him that I told
DI Dickson to work the case. PP Harris was the first officer
to arrive on the scene. Call back from DI Dickson - had
a problem - CI Bartlett was taking witnesses away from
scene. Call back from PP - CI Bartlett asked PI
at the PD and they had to take him. Call
John Champion and got him enroute to jail.
I met with champion & then he went in to
talk to Bartlett.
